## FAQ #1

**Q:** We have a 2017 TSLAC grant. We will use the same staff for the 2018 grant. Do I need to resubmit the contact information?

**A:** No. If the same staff will be used for your 2018 grant, you do not need to resubmit the list. TSLAC will ask you to verify the access needed for each upon award in August.

---

---

---

---

---

---

---

---

---

---

## FAQ #2

**Q:** I don't plan on applying for a 2018 grant, but may consider applying for a later grant cycle. Do I still need to provide this information by the deadline?

**A:** If you do not plan on applying for a grant this year, you can wait until later.

---

---

---

---

---

---

---

---

## FAQ #3

**Q:** What if staff changes after I provide the information?

**A:** If you are recommended for a grant award, TSLAC will contact you for revisions before the grant period starts.

---

---

---

---

---

---

---

---

## FAQ #4

**Q:** Do I need to do this for each grant application or just once for the library?

**A:** You only need to complete the list once for the library for the year applying. Please be sure to include the necessary staff for all grants for which you intend to apply, including interlibrary loan (ILL).

---

---

---

---

---

---

---

---

## FAQ #5

**Q:** What happens after I give you the list?

**A:** Your list will be imported into the system to update your contact records. Staff who will be tasked with submitting the application will receive an invitation first. Other staff will receive an invitation to complete their registration if library is recommended for funding.
